DETAILED ACTION

Allowable Subject Matter

1. Claims 1 – 13 are allowed.

The following is an examiner's statement of reasons for allowance:

- The Examiner found the Applicant's arguments filed on April 11, 2006 persuasive, and therefore considers that the references of the Prior Art of record fail to teach, or suggest any obvious combination of the limitations describing the particular combination of the subject matter in **claim 1**.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. The attached hereto PTO Form 892 lists prior art made of record that the Examiner considered it pertinent to applicant's disclosure.
